

Parent Permission for Discord

If your student is at least 13 years of age and would like to participate in the online discussion groups on Discord, please fill out this permission form.

Please allow several days for us to receive this form and get your student's account set up.

You are giving us consent to the collection and use of your student's personal information only in agreement with our Privacy Policy located here: <https://homeschoolingtorah.com/privacy-policy>

By filling out this form, students and parents are also indicating agreement with the Discord Community Rules listed on the next page.

Student's Name _____

Please mail this permission form to:

Homeschooling Torah
P.O. Box 191
Perry, MI 48872

If you would prefer, or if you live outside the United States, you may scan and email this document to support@homeschoolingtorah.com.

Rules for Our Discord Community:

In this community, we uphold the authority of the Scriptures, defined as the 66 books of the Bible. We use the Torah (first 5 books of the Bible) as the basis for all our conduct and to interpret the rest of the Bible. Yeshua is our focus, and we point others to Him. Finally, we love others as ourselves, always seeking to encourage, build up, and comfort our brothers and sisters.

1. Requests to join without agreement with these beliefs will not be approved.
2. Speaking against Yeshua (Jesus of Nazareth) as Messiah or posting things to lure others away from the Messiah is not allowed in the Community and will result in expulsion from the group. Every member of this group should already meet the requirement of being a follower of Yeshua, the Risen Messiah.
3. Be Kind and Courteous. We will love our neighbors as ourselves, treating each other with respect. Healthy debates are natural, but kindness and gentleness are required.
4. No Hate Speech, Bullying or Foul Language. Make sure everyone feels safe. Bullying of any kind isn't allowed, and degrading comments will not be tolerated. Foul language will not be tolerated and will result in removal from the Community.
5. Respect the Privacy of Others. Being part of this Community requires mutual trust. Authentic, expressive discussions make the Community great, but remember that posts may also be sensitive and private. Ask permission before sharing from the Community. Please do not share information that could endanger you or your family.
6. Divisive Topics. Please be careful when dealing with divisive/argumentative topics. If you don't feel that you can engage with others without getting angry or hurt, please refrain from getting involved.
7. IMPORTANT: All members must be over the age of 13. Parent permission is required for students.

Please be aware that moderators will enforce these rules. If you are warned and do not change your behavior, you will be removed from the Community.
