

# Parent Permission for Student Clubs

If your student is at least 16 years of age and would like to join our high school clubs or participate in the online discussion groups in our Community, simply register at <https://homeschoolingtorah.com/members/register-for-community>.

Note: You will need to LOG OUT of your parent account first, or use a different browser.

If your student is between the age of 13 and 15 years of age, he or she may still join our student clubs or the online discussion groups in our Community, but you will need to MAIL the parent permission letter to us first. Please note that you as a parent are giving us consent to the collection and use of your child's personal information, only in agreement with our Privacy Policy located here: <https://homeschoolingtorah.com/privacy-policy>
